

A Sample of Summer Programs Recommended by WAM

Any math or science-related program will be considered for WAM scholarships. Students **must apply for the summer program** and be accepted in order to be eligible for the scholarships. The WAM scholarships will be given directly to the program to go towards the student's tuition. Most programs will defer payment of fees until WAM scholarships have been awarded at M³ in May. If a program has an earlier deadline for payment, it will be accommodated. Some programs also have their own scholarship programs. **Due to limited scholarship funding, only partial scholarships may be available for certain programs.**

Note: In the table below, **rows highlighted in green** indicate that the information is **current for Summer 2018**.

Summer Program	Website	Application Window	Cost & Duration
NCSSM: STEP UP to STEM	https://www.ncssm.edu/stepup	Feb 1 – Mar 13, 2018	FREE (1 week)
